Softball Ontario believes in Fair Play. Fair Play is defined as much more than playing within the rules. It includes respect for others, always playing within the right spirit. Fair play is defined as a way of thinking, not just a way of behaving. Fair play is a positive concept. Fair play is moved from a secondary position it currently occupies to centre stage. Fair play must be given the highest priority by all those indirectly or directly participating in the game of softball. Integrity, fairness and respect, these are the principles of fair play.

Softball Ontario has the right and the responsibility to publish clear guidelines on what is considered to be ethical or unethical behaviour and to ensure that, at all levels of participation and involvement, consistent policies and practices related to fair play are applied.

Softball Ontario is undertaking the Respect My Game 2010 campaign to raise the awareness of fair play and to reduce abusive situations in the game of softball.

Softball Ontario is deeply committed to improving the sportsmanship and the behaviour of all participants. It is extremely important that all stakeholders be part of this commitment, and do their part to enhance a positive experience in softball.
