# FUN SOFTBALL RULES!

Softball is a very fun sport for boys and girls to play!  
Make sure you play safe and follow these rules!

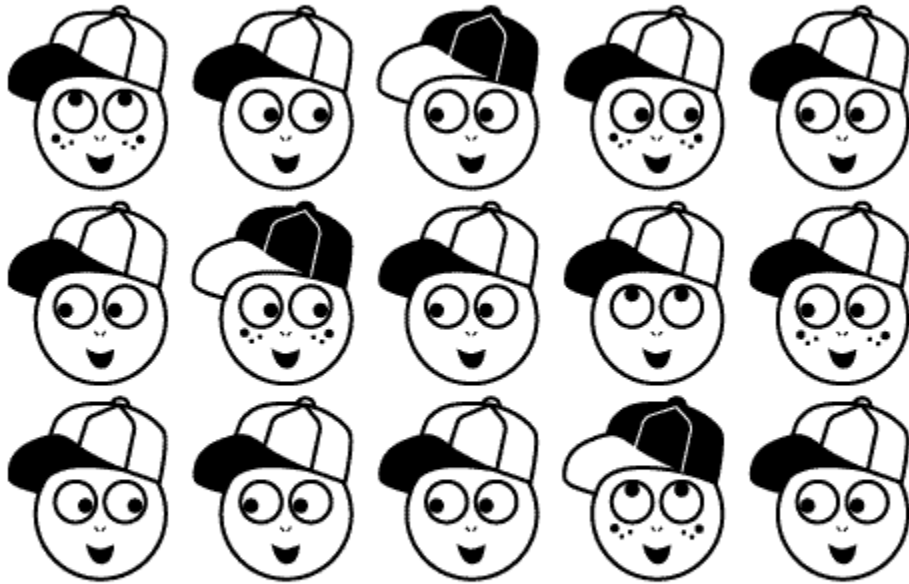

1. Use a marker to write your name in your ball glove, that way you will never lose it
2. Bring your own water bottle to games and practices so you are never thirsty
3. Never swing a bat without checking to see if someone is around you
4. Never throw a ball to anyone unless you are sure he or she is watching and ready to catch the ball
5. When you are batting, always keep your eye on the ball
6. Always catch the ball with both of your hands
7. Be a team player! Always be nice to the other players on your team and the players on the other team
8. Try your hardest all of the time and you will always be a winner
9. Always listen to your coach and remember to thank them after practices and games
